Guidelines for Candidate Selection

EACH Candidate for Cursillo meets the following guidelines:

- Cursillo is designed for renewal in each applicant’s personal faith
- Fill out and submit a “sponsor-signed” application
- Must be at least 21 years of age or married
- Special diet requirements must be submitted with application
- Cursillo is not for children-nursing mothers. Mothers should defer attending until babies are weaned.
- Both spouses in a marriage must attend. Therefore, men’s applications must be accompanied by their wife’s application and fees. A woman may attend if her husband has previously attended Cursillo, Walk to Emmaus, etc.
- Candidates who are single by death of a spouse must wait 1 year after this loss has occurred to apply.
- Candidates who are single by divorce must wait 1 full year after divorce is final to apply.
- Applications arriving after the weekend is “full” will be placed on a waiting list and accepted as cancellations occur. Any applicants who are not accepted will be returned to the sponsor along with any fees paid and will receive first attention upon application to later Cursillos.

MEN’S AND WOMEN’S WEEKENDS

- The first 42 men’s applications and the first 42 women’s applications received by the Registrar, which meet the above guidelines, will be accepted. Only 6 candidates per church will be accepted at each weekend. Singles are welcomed at these weekends.

COUPLE’S WEEKEND

- The first 18 married couple’s applications (2 applications / couple to a total of 36 candidates) received by the Registrar, which meet the above guidelines, will be accepted. Only 3 couples per church will be accepted at each weekend. Couple’s Cursillo is a focus on personal faith, not on marriage itself. Therefore, the weekend is not intended to fix troubled marriages. Since we have the option of Men’s and Women’s weekends, single candidate applications will not be accepted for the Couple’s Cursillo.

Each Candidate (both husband and wife if married) must send an application to:
